Anybody have the results of the competition, and how many high school groups attended.

I don't have all the results, I just know that Irving MS got best overall MS and Edinburg HS got best overall HS. TAMUK Mariachi Javelina did a good job , as well as, Mariachi Azucenas. Vargas did their usual show with that exception that "Pato" did not show up. I was told that it was a visa problem, but I think that his health has been a little bit of an issue lately. German from Los Camperos filled in for him. This is a little bit off the subject, but I was talking to Pepe about Mariachi Nuevo Tecalitlan and the members when he was director (1966-1974). He gave me the names of most of the members, but could only give me the nicknames of two. One was Jose? "El Ochenta Risas" and the other was "El Huiloto". If anyone knows their names please email me at: sdhsmariachi@yahoo.com
 Thanks!

John Vela

The event was a success, the kids enjoyed the workshops and the concert, not to mention the concert was sold out. I hope they will continue to do this every year. 😊

I am especially grateful to Mariachi Javelina and Mariachi Las Azucenas for at outstanding job at the workshops, most of the students that I spoke to were very happy with the workshops. We had a few problems but Mr. Sanchez and I will meet later on after spring break to discuss things that we need to improve. Don't hesitate to e mail your suggestions to me. Thanks...Soliz

A special thank you to the event organizer Juan Sanchez from Coastal Bend College who has organized this event for six years and his administrators for allowing him to work on this event. Thanks to Mr. John Vela with Mariachi Unlimited for the Beginner music for all sections.

Mr. Solis
