The 9th Annual Jennifer Hall Scholarship fund Dance will be Nov. 26th. Proceeds benefit the Jennifer Hall Scholarship fund, which has given \$17,000 to graduating seniors in Hamilton and Evant schools. We started the fund after Jennifer was killed on December 24, 1995. She was 16 and a junior in Evant. Her birthday was January 7th. We always feature Texas bands. Branded Heart, John Evans, Cross Canadian Ragweed, Ed Burleson, and Calvin Milburn & Secondhand opening for Wade Bowen & West 84 have played. Many individuals and businesses donate items for the raffle and concession. Local friends and family volunteer their time to work all aspects of this event. We have recieved donations for raffles consisting of ski trip packages, weekend get aways from hotels and restaurants, dude ranches, golf courses, Texas Motor Speedway, gift certificates, etc. We appreciate all help given.
